MARKETING ASSOCIATE | BRAND, CONTENT & PERFORMANCE MARKETING

Noida / Gurgaon, India • +91 73984 98519 • guptapriyanshi1503@gmail.com

linkedin.com/in/[add-your-handle] • [add-portfolio-link]

PROFESSIONAL SUMMARY

Marketing Associate with 2+ years across B2B and consumer marketing, currently running end-to-end marketing for two brands at a global market research firm. Hands-on across brand content and social strategy, paid search, SEO, website development and marketing analytics — plus freelancer, vendor and international event ownership. Uses AI tools to accelerate content production without losing brand voice.

CORE SKILLS

Brand & Content: Social media strategy (LinkedIn, Instagram), content calendars, short-form video and Reels scripting, copywriting, blog and editorial management, brand asset systems

Performance & SEO: Google Ads (Search), Meta Ads, keyword research, ad copy and extensions, budget planning, A/B testing, ROAS and CPA optimisation, on-page and off-page SEO, CRO audits

Analytics & Tools: Google Analytics, Meta Pixel, attribution tracking, monthly KPI reporting, competitor benchmarking, Apollo.io, Smartlead, Zoho CRM, Sales Navigator, Advanced Excel, Canva, Figma

Marketing Ops & AI: AI-assisted content workflows and prompt design (ChatGPT, Claude), freelancer and vendor management, event marketing, compliance certification sourcing (ISO 20252, ISO 27001, HIPAA)

PROFESSIONAL EXPERIENCE

Marketing Associate — **Dec 2025 – Present**

Track Opinion / Opinionest — Global B2B Market Research Firm — *Noida, India*

- Own end-to-end marketing for two brands — Track Opinion (B2B research, LinkedIn) and Opinionest (consumer panel, Instagram) — from strategy and scripting through production, publishing and monthly metrics reporting.
- Launched Google Ads from zero: 6 search campaigns with full keyword architecture, 15 headlines and 5 descriptions, sitelink and callout extensions, and a phased budget rollout.
- Produce the monthly leadership performance report across a 4-pillar KPI framework — social growth, SEO and paid search, ad-hoc projects, and new initiatives.
- Drive the website revamp with design and development teams from Figma stage through QA; own the blog calendar and topic briefs, and manage SEO and content-writing freelancers day to day.
- Led vendor sourcing and selection for ISO 20252, ISO 27001 and HIPAA certifications, benchmarking partners on budget, scope and market credibility through to final award.
- Owned brand presence at Quirk's London and New York — brochure design, booth collateral, giveaway vendors and post-event lead pipeline; organised the office inauguration end to end.
- Evaluated AI voice-agent platforms and affiliate / offerwall partners (CPA models, fraud screening), and benchmarked Opinionest's UX against Swagbucks, Survey Junkie, Prolific and YouGov.

Executive – Marketing Intelligence Analyst — **Aug 2025 – Dec 2025**

Medhavi Skill University — *Gurgaon, India*

- Designed a scalable event lead lifecycle system — hot/warm/cold classification, WhatsApp and email nurture flows, and wireframes adopted team-wide.
- Architected the B2B GTM strategy and buyer personas, creating the core playbook used across sales, marketing and product.
- Automated lead extraction and enrichment (Apollo, EasyLeadz, Hunter.io, Clearbit, Snov.io) for 500+ verified SPOCs; ran 3 weekly email campaigns via Smartlead and Zoho CRM with smart-link tracking on MQL-to-SQL conversion and CTR.

Outbound & Marketing Associate — **Nov 2024 – Aug 2025**

Seventh Triangle Consultancy — *Noida, India*

- Led LinkedIn and cold email campaigns targeting C-suite prospects via Apollo.io, Smartlead and Sales Navigator, lifting qualified leads by 25%+.
- Delivered 45+ CRO audits with funnel diagnostics, heatmaps and conversion roadmaps; 23%+ converted into paying customers.
- Executed off-page SEO for brands including Hidesign, and ran full-cycle campaigns from research through A/B testing.

Marketing & Creative Services Intern — **Aug 2024 – Nov 2024**

Seventh Triangle Consultancy — *Noida, India*

- Set up and optimised Meta and Google Ads campaigns achieving 25% higher ROAS across 20+ campaigns; built lookalike and interest-based audiences reaching 200,000+ users and delivered CRO insights for 15+ clients.
